

Kenai Peninsula Borough School District

Goal: By June 2014, as a leader in my school, I will facilitate improving attendance rate to 96% or greater			
Current Reality: MS – 93.74%; HS – 93.04%			
Strategies and Action Steps	Responsibility	Timeline	Evidence/measures to ensure implementation
The administration will implement a Response to Intervention RTI process that will monitor and support student's attendance.	Administration/RTI Team	1 st Semester Pilot/2 nd Semester Implementation	Site Council and PTSA will have an understanding of the process and intent of the attendance procedure. Students that receive an attendance letter or RTI recommendations will have an increased attendance rate.
The parents will support their student's involvement in school activities and athletics.	Coaches, Sponsors, Parents	2013-2014 – Per Season	Percentage of students participating in athletics and activities correlated to student attendance.
The students will become aware of the benefits of school attendance.	Advisory Teachers and Students	2013-2014	Student attendance compared to performance on standardized measures.
The teachers will continue to develop Know, Understand, Do (KUD) units to make the content focused on individual learning styles	Professional Development Leadership Team and collaborative teacher groups.	2013-2014 Meeting during Early Release days and release time by department.	Teachers will share lessons through a collaborative process and store them on a KUD professional development folder.
